

## Soft Sculpted Characters

Soft and durable oversized foam soft sculpted characters provide safe and exciting environment for player. It suits any theme and facility.

## Cannon and Ball Play Events

All Cheer's cannons and ball play events are CE approved, these bring players exciting play experience as well as safe play environment.

## Inflas for FEC

We are very experienced on making inflatables for FEC projects. We always make extra reinforcements on the areas that bear the most torture from the riders. FEC inflatable usually get a lot more riders and tortures than rental inflatable. We do offer special treatments for these inflatable.

With a lot of experience in this field, we are very familiar with Euro Standards in the inflatable. We strictly follow EN14960-2013 inflatable standard.

The material we use is the best for the inflatable, which are TUV test passed for fire retardant, toxic elements, lead free and no 3P. And it has very good tear and adhesions strength.
